Subject: TSCA Section 21 petition comments

Hi Tyler,

Based on Friday, November 9th's briefing with OCSPP leadership, we understand OCSPP **Ex. 5 Deliberative Process (DP)** The petition request among other things that EPA promptly initiate rulemaking under section 8(a) of TSCA to amend CDR with regard to asbestos. OECA's representatives on the workgroup provide the following comments:

1. **Ex. 5 Attorney Client (AC)**
2. **Ex. 5 Attorney Client (AC)**
3. **Ex. 5 Attorney Client (AC)**

Thank you for your attention and the ability to engage on the workgroup.

Jess, Mark and Geraldine
